Standex ePlan Innovation for Care Homes

ePlan links together all stakeholders in the support network surrounding your residents, from their family and neighbours to Local Government and Social Services.

ePlan puts you, the Care Company in control at the very centre.

Want to save time and money then please contact Standex Systems for a free demonstration!

Phone: 01604 646 633 • Fax: 01604 644 646 • E-Mail: info@standexsystems.co.uk

www.standexsystems.co.uk

ePlan is an entirely new cloud software system that enables you, your carers and other members of the support team access to dynamic information about each and every one of your residents...

- ***A holistic and up to date view of all of your residents in all of your homes***
- ***Intuitive and simple with very little training***
- ***A full and comprehensive audit of everything that is done***
- ***Fully compliant with CQC and national standards and requirements***
